

Invitation

EFFICIENT & RESILIENT

Driving Tomorrow's Industry

17. 10. 2022 | Cubex Centre Prague

**Dear members,
ladies and gentlemen,**

the German Czech Chamber of Industry and Commerce invites you to attend our conference:

German Czech Economic Forum (GCEF) **„efficient & resilient“ - Driving Tomorrow's Industry**

Driving Tomorrow's Industry: the most important players and decision-makers of the German Czech economy, politics and R&D will present and discuss solutions and strategies for a successful adaptation in times of crisis and the chances of a sustainable transformation of the industry.

Corona crisis, war and energy crisis have shown: **Efficiency** & strategic **resilience** are crucial for our companies and international economic relations - absorb external shocks, stabilize critical functions, secure future growth!

Be part of the German Czech Economic Forum, be part of a successful (ex)change. Get your tickets now!
